Muzrai Secretary's Remarks:-

This Branch Matt being situated in Mysore City, its upkeep in a sound condition is very necessary.

A scale of expenditure was fixed to this Institution in Govt Pro. No. 4110-12 dated 22nd March 1906.

(Repairs to the extent of Rs 650/- have been already executed and I found upon personal inspection that some more repairs are actually necessary to bring the building to a satisfactory condition. The Estimate now received amounting to Rs 1253-8-0 may, it is submitted, be sanctioned, the work being conducted under the supervision of the Assistant Commissioner of the Mysore Division.

There is a large sum of money belonging to the Matt in the hands of Government and it is for carrying out works of improvements such as this that I have been recommending the

retention of such moneys in Government's hands instead of making them over to the Math.
